Sommario/riassunto

Focusing on an isolated community in central Australia, this highly-readable examination presents insights into the cultural underpinnings of indigenous daily life through evocative narratives revolving around five Warlpiri women. The seemingly contradictory realities of a distant hunter-gatherer past and current life in a first-world nation-state are addressed as this refreshing study answers questions about the specifics of camps, sleeping arrangements, public and private boundaries, and how indigenous people in praxis relate to each other.
