Sommario/riassunto	The Howard League for Penal Reform is committed to developing an

effective penal system which ensures there are fewer victims of crime, has a diminished role for prison and creates a safer community for all. In this collection of ten papers, the charity has brought together some of the most prominent academic experts in the field to map out the what is happening in a specific area of criminal justice policy ranging from prison privatisation to policing and the role of community sentences. The Howard League guide has two main aims: first it seeks to paint a picture of th
