Sommario/riassunto	Getting Wise to Drugs is a resource for use with children aged between eight and twelve years. It comprises exercises centred on illegal drug use, medicine use and safety, solvents, alcohol, tobacco, crime and

other anti-social and risky activities. Fully photocopiable, it consists of an introductory chapter, followed by 20 photocopiable exercises grouped into blocks of five, one for each year within the age range of the book. Each exercise is intended to last 30--45 minutes, and can be used in a classroom or other group situation. Each block of five exercises covers the following topics: know
