Journey to Understanding; 15. A Refusenik Odyssey; Index
Sommario/riassunto	The solution to the growing problem of stress and burnout in rabbis!

Written by a practicing clinical psychologist who spent 10 years as a congregational rabbi, *The Rabbi As Symbolic Exemplar: By the Power Vested in Me* presents positive solutions to the inevitable negative effects of symbolic exemplarhood, coaching rabbis through dilemmas of the "inner soul." Being a rabbi means serving as a Symbolic Exemplar of the best that is in humankind, being experienced and treated and expected to act as a stand-in for God, and a walking, talking symbol of all that Jewish tradition represents

Sommario/riassunto

All around the world and throughout history, resistance has played an important role – and it still does. Some strive to raise it to cause change. Some dare not to speak of it. Some try to smother it to keep a status quo. The contributions to this volume explore phenomena of resistance in a range of historical and contemporary environments. In so doing, they not only contribute to shaping a comparative view on subjects, representations, and contexts of resistance, but also open up a theoretical dialogue on terms and concepts of resistance both in and across different disciplines. With contributions by Micha Brumlik, Peter McLaren, and others.
