Nota di contenuto	pt. 1. Introducing postcolonialism -- pt. 2. Rereading the canon -- pt. 3. Taking up the postcolonial challenge -- pt. 4. The postcolonial and the sociological.
Sommario/riassunto	This volume explores the elusive concept of ""postcolonial sociology."" It investigates the relationship between knowledge and colonial power; the sociology of race; hybridity; and the implications of postcolonial theory for global sociology. Included are brand new readings of canonical thinkers Karl Marx, Max Weber, Emile Durkheim and Robert Park.
