Sommario/riassunto	Criminal Justice: Local and Global and its sister text Crime: Local and Global are two new teaching texts that aim to equip the reader with a critical understanding of the globally contested nature of 'crime' and 'justice'. Through an examination of key concepts and criminological approaches, the books illuminate the different ways in which crime is constructed, conceived and controlled. International case studies are used to demonstrate how 'crime' and 'justice' are historically and geographically located in terms of the global/local context, and how processes of criminali
