Sommario/riassunto	What Does It Mean To Be Five, from child psychologist Jennie Lindon, will give you the tools you need to ensure that your work with children, whether in a school, nursery or home setting, is relevant to their individual stages of development. This book looks at the six areas of learning in the EYFS and focusses on what each area means for five-year olds. Each area of development is backed up with examples of how real children learn, what good practice looks like and working in partnership w...
