Sommario/riassunto	This volume discusses the question of presence and/or absence from a transdisciplinary perspective, and intends to provide insights into how a wide range of disciplines addresses this issue which has been at the centre of philosophical, theoretical and critical debates in the past decades. As the essays in the volume prove, apparently diverse areas can have a lot in common and talk to each other in sometimes surprising ways. The topics discussed include modals in various

languages and black slave funeral sermons, pragmatic markers and the  
Australian Stolen Generation, the transcendental in poe
