Sommario/riassunto	This title reflects the general theme of the 2010 IACR annual conference that was held in Padova, Italy, the aim of which was to provide a fresh view on some cultural and structural changes involving Western societies after the world economic crisis of 2008, from the point of view of Critical Realism. Global society is often regarded as disrupting identities and blurring boundaries, one which entails giving up ideas of structure and fixity. Globalization supposedly introduces?a ""liquid"" era of fluidity where everything is possible, and anything goes. Nevertheless, its current dynamics ar
