

1. Record Nr.	UNINA9910453140403321
Titolo	Blast protection of buildings [[electronic resource] /] / American Society of Civil Engineers
Pubbl/distr/stampa	Reston, Va., : American Society of Civil Engineers/Structural Engineering Institute, 2011
ISBN	0-7844-7650-0
Descrizione fisica	1 online resource (125 p.)
Collana	ASCE standard
Disciplina	628/.720684
Soggetti	Water treatment plants - Security measures - Standards Storm sewers - Security measures - Standards Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"ASCE/SEI 59-11." "This document uses both the International System of Units (SI) and customary units."
Nota di bibliografia	Includes bibliographical references and index.
