Nota di contenuto	pt. I. Social pathologies : addressing the question -- pt. II. Social pathologies : contemporary malaises -- pt. III. Social pathologies : biopower, subjectification and civilization.
Sommario/riassunto	Rejecting a reductive, biomedical and individualistic diagnosis of contemporary problems of health and well-being, this book contends that many such problems are to be understood in the light of radical changes in social structures and institutions, extending to deep crises in our civilization as a whole. Rather than considering such conditions in isolation - both from one another and from broader contexts - this volume argues that health and well-being are not just located at the level of the individual body, the integral human person, or even

collective social bodies; rather, they encompass
