Sommario/riassunto	As the initial book in the Feminist Constructions series, Feminists Doing Ethics broaches the ideas of critiquing social practice and developing an ethics of universal justness. The essays collected within explore the intricacies and impact of reasoned moral action, the virtues of character, and the empowering responsibility that comes with morality. These and other essays were taken from Feminist Ethics Revisited: An International Conference on Feminist Ethics held in

October of 1999. Waugh and DesAutels bring to light in these pages  
work discussed at this conference that extends our understa
