Sommario/riassunto	The introduction, translation and commentary on the Temple Scroll by Johann Maier has been thoroughly revised and updated by the author for its English edition, taking account of improvements in readings, and, among other recent secondary literature, the English translation of Yadin's edition, to which cross-references are given. Students of Second Temple Judaism, and the Dead Sea Scrolls in particular, will at last have a convenient English edition of this most important document from Qumran.
