Poulsen -- Index Of Persons And Places / N. Hybel and B. Poulsen -- Subject Index / N. Hybel and B. Poulsen.
Sommario/riassunto	This pioneering work presents the first comprehensive economic history of medieval Denmark. It puts data produced by more than a century of historical research into a new context and includes a multitude of information based on primary research. The book abounds in knowledge of natural and human resources, rural life, urban industries, tax and commodity trade. Arguing that the development of the Danish resources from the eleventh to the middle of the fourteenth century cannot be viewed simply as a period of prosperity, and conversely that the Late Middle Ages were characterized as much by growth as by recession, the book places itself in an international historiographical controversy. The Danish Resources will become an indispensable standard work for students of Danish and north
