Stabile.
Sommario/riassunto	This book brings together academics, legal practitioners and activists

with a wide range of pro-choice, pro-life and other views to explore the possibilities for cultural, philosophical, moral and political common ground on the subjects of abortion and reproductive justice more generally. It aims to rethink polarized positions on sexuality, morality, religion and law, in relation to abortion, as a way of laying the groundwork for productive and collaborative dialogue. The book will be valuable to anyone interested in law and society, gender and religious studies and philosophy and theory of la
