Murray -- Methodological challenges in researching inclusive school cultures / Melanie Nind, Shereen Benjamin, Kieron Sheehy, Janet Collins and Kathy Hall -- A guide to ethical issues and action research / Jane Zeni -- Reflections on interviewing children and young people as a method of inquiry in exploring their perspectives on integration/inclusion / Ann Lewis -- The legal context -- Researching children's perspectives: legal issues / Judith Masson -- Data protection issues in educational research / Clare Wood.

Sommario/riassunto

The recent move towards inclusive education has radically influenced the way educational research is conducted. Students need to become aware of the critical legal and ethical responsibilities that arise from investigation in this new and expanding area. Written from the standpoint of inclusive education, rather than 'special education', this carefully edited collection of readings from a wide variety of sources, will develop the student's ability to: * identify and respond to ethical dilemmas that occur within their particular research methodologies and settings. * respond appropri
