Sommario/riassunto	Is there a particular type of person who becomes a bully? Why do bullies behave like they do? How can we interpret and understand bullying within relationships?. The Bullies attempts to get inside the minds of the bully and victim - the child, the adolescent and the adult - across a wide range of 'closed' situations including the home, school and workplace, prisons and the armed services. By listening to the voices of bullies and victims from all kinds of backgrounds without making judge
