Sommario/riassunto

New commentary and updates to enlightening interviews with today's top global macro hedge fund managers This updated paperback edition of Inside the House of Money lifts the veil on the typically opaque world of hedge funds offering a rare glimpse at how today's highest paid money managers approach their craft. Now with new commentary, author, Steve Drobny takes you even further into the hedge fund industry. He demystifies how these star traders make billions for their well-heeled investors, revealing their theories, strategies and approaches to markets. Whereas some still maintain that rat
