Sommario/riassunto	Use these fascinating first-person accounts to bring real-world problems into the classroom!The Use of Personal Narratives in the Helping Professions: A Teaching Casebook is a collection of personal narratives, short stories, and poetry about mental illness and other life-affecting problems, mostly in the context of family life. Each selection is accompanied by questions for discussion; selected reading lists are provided with each chapter. Beginning with problems related to childhood, the stories range through adolescence, adulthood, and old age. This unique book provides students a
