Practice in an imperfect system -- part X. Old age. Sommario/riassunto Use these fascinating first-person accounts to bring real-world problems into the classroom!The Use of Personal Narratives in the Helping Professions: A Teaching Casebook is a collection of personal narratives, short stories, and poetry about mental illness and other lifeaffecting problems, mostly in the context of family life. Each selection is accompanied by questions for discussion; selected reading lists are provided with each chapter. Beginning with problems related to childhood, the stories range through adolescence, adulthood, and old

age. This unique book provides students a
