Toward Establishing the First-Year Program
Development of a First-Year Program: Culmination of Knowledge
Management Practice Through Collaboration

Sommario/riassunto

This issue illustrates examples of effective collaborations written by
community college presidents, administrators, faculty, and leaders of
state governments and national organizations. Each has contributed a
story illustrating a successful program that required the efforts of a
range of individuals and recommendations for others to build their own
successes. Topics include: How to build effective dual enrollment
programs to motivate high school students in rural areas to pursue
higher education Why collaboration is c
