Sommario/riassunto	The fight against terrorism is constantly in the news, and NATO has committed to the mission of counterterrorism as a central role of the alliance. This is a mission which requires the maximum cooperation of all NATO members and partners, and the sharing of knowledge and expertise is crucial to its success. This book presents the proceedings of the NATO Centre of Excellence - Defence against Terrorism (COE-DAT) Advanced Training Course 'Capacity Building in the Fight against

Terrorism', held in Bishkek, Kyrgyzstan in June 2012. The presentations were delivered by 11 expert practitioners and ac
