Sommario/riassunto	Between Saying and Doing aims to reconcile pragmatism with analytic philosophy. Robert Brandom investigates the relations between the meaning of linguistic expressions (logical, indexical, modal, normative, and intentional, among others) and their use. He offers new ways of thinking about empiricism, naturalism, and functionalism. - ;Between Saying and Doing aims to reconcile pragmatism (in both its classical American and its Wittgensteinian forms) with analytic philosophy. It investigates the relations between the meaning of linguistic expressions and their use. Giving due weight both to what
