Sommario/riassunto	Twenty-two translated stories associated with the regions of France, including both well-known and little-known writers. Offering a panoramic view of French society and culture, the book will appeal to people who love travelling or are armchair travelers, as much as to those who love France and things French. - ;French Tales is a collection of twenty-two translated stories associated with the twenty-two

regions of France. The book, which includes both well-known and little-known writers, for example Prosper Mérimé; e in the nineteenth century and Anne-Marie Garat in the
