Sommario/riassunto	Edith Stein was beatified in 1987 and canonized in 1998 but is still relatively unknown in the English-speaking world. She provides an example of a Christian thinker deeply engaged in the debates of her own day, and her work offers models and insights for addressing the questions of the twenty-first century. Sarah Borden presents an overview of St Edith Stein's life and thought, beginning with her biography. She then covers her early work in phenomenology, her political writings, her studies on women and women's education, as well her later turn to medieval metaphysics, and spiritual and religi
