breakthrough; Bad memories; Sixth grade "keeping her memories;
September 11, 2001; Different spectrum; Different type of hard drive
Craving liberation (in her own words)CONCLUSION

Sommario/riassunto

For many years Eileen Miller's daughter, Kim, was unable to verbalize her experiences and emotions, but she was able to communicate using a less conventional language: her art. The Girl who Spoke with Pictures tells the story of a young woman with autism, and how her enlightening drawings enabled her to share her view of the world.
