Sommario/riassunto	Are public servants self-interested, or motivated by a sense of duty and commitment far above what we would expect given their often modest compensation and frequent public criticism? This book looks at research on this and related questions in assessing the current state of our scientific knowledge. - ;Motivation in Public Management: The Call of Public Service joins a long-standing debate about what drives the behavior of government employees and others who are engaged in the public's business. For many centuries, public service was considered a noble calling and, more recently, a profession
