Sommario/riassunto

The Progressives offers comprehensive coverage of the origins, evolution, and notable events that came to define the pivotal period of American history known as the Progressive Era. Offers a rich, in-depth analysis of who the progressives were and the process through which they identified and attacked social, economic, and political injustices. Features an up-to-date synthesis of the literature of the field including comprehensive treatment of the role of women in the Progressive Movement. Considers the movement's enduring impact - and how its vision fo
