Sommario/riassunto	Learning to roller skate or ride a bike should be an enjoyable experience, but for a child with developmental co-ordination disorder (DCD, also known as dyspraxia), these activities can lead to frustration and failure. Can't Play Won't Play is full of practical information, tips and hints to enable children with DCD to access and enjoy activities that other children take for granted. Whatever game you choose to try with your child, this book will offer handy hints for developing the

necessary skills to make it a fun and rewarding experience. From
football and rugby to swimming, skipping and sk
