Sommario/riassunto

Advancing a powerful critique of neoliberalized education in many of the rich countries of the world (USA, Canada, Finland, Greece, Israel, Japan, England and Wales, and others), the chapters in this book, written by an international array of acclaimed and emerging radical educators and policy analysts, critically examine and evaluate: What neoliberal changes have taken place (e.g., privatization, vouchers, charter schools, weakening of democratic control of schools, setting up markets in schools and retreating from the comprehensive school principle, commercialization
