Toward an Active Participation in Foreign Policy-The Role of the Finnish Parliament in International Conflict Prevention and Crisis Management; 17. Conclusion

Sommario/riassunto

The changing nature of conflict and the increase in intrastate conflict during the 1990's, followed by its slow decline since the turn of the century, have led to changing priorities in the field of conflict resolution. No longer is the international community solely concerned with resolving existing conflicts; it also is managing emerging conflicts to ensure that they do not flare into violent conflict. This book outlines some of the strategies parliaments and parliamentarians can adopt to reduce the incidence of conflict and effectively manage conflict when it does emerge. It is hoped that by
