Sommario/riassunto	Become a more effective social worker with this outstanding volume on inner-city urban youth! African-American Adolescents in the Urban Community: Social Services Policy and Practice Interventions examines contemporary issues confronting African-American youth. It highlights key areas such as health, education, the criminal justice system, and youth development strategies. An essential overview of the status of urban African-American youth for students, professionals working with this important population, and policymakers, this vital book proposes
