Signs of Hope: Taking Action for Justice and Sustainability; In Gratitude; Index; About the Author
Sommario/riassunto	Now in a thoroughly revised and updated edition, Tangled Routes offers a vivid interdisciplinary examination of the global food system through the journey of a corporate tomato. Through case studies in the three NAFTA countries-Mexico, the United States, and Canada-Deborah Barndt examines the dynamic relationships between production and consumption, work and technology, biodiversity and cultural diversity, and health and environment. The compelling stories of women workers along the tomato trail humanize her analysis of globalization, taking

into account the intersections of gender, rac
