Sommario/riassunto	An extraordinary yet almost unknown chapter in American history is revealed in this extensively researched expose. On July 1, 1893, President Grover Cleveland boarded a friend's yacht and was not heard from for five days. During that time, a team of doctors removed a cancerous tumor from the president's palate along with much of his upper jaw. When an enterprising reporter named E. J. Edwards exposed the secret operation, Cleveland denied it and Edwards was consequently dismissed as a disgrace to journalism. Twenty-four years later, one of the president's doctors finally revealed the incr
