Sommario/riassunto	This book takes an in-depth look at spirituality and its continual expression in children, to support those working with children in developing their own perceptions and interaction with them. The authors outline exactly what is understood by contemporary spirituality, and discuss the importance of context in a consideration of

spirituality. They explore key issues in understanding children's spirituality under three broad headings: children's voices - how they are often lost in the context of spirituality and what the implications of that loss are; children's worlds - how children draw on the
