Sommario/riassunto	This book charts the changing complexion of American culture in one of the most culturally vibrant of twentieth-century decades. It provides a vivid account of the major cultural forms of 1960's America - music and performance; film and television; fiction and poetry; art and photography - as well as influential texts, trends and figures of the decade: from Norman Mailer to Susan Sontag; from Muhammad Ali's anti-war protests to Tom Lehrer's stand-up comedy; from Bob Dylan to Rachel Carson; and from Pop Art to photojournalism. A chapter on new social movements demonstrates that a current

## Sommario/riassunto

The women profiled in this collection of absorbing essays-some known throughout the world, others known only within their own communities-all share one key trait: whether religious or secular, they are driven by their commitment to Judaism to engage in acts of kindness. In profiling women such as Ruth Gruber, who helped hundreds of Jewish refugees escape from war-torn Europe, or Wendy Kay, who regularly invites teenagers to her home for Shabbat, *The Jewish Woman Next Door* provides contemporary role models that readers will admire and be able to emulate.
