Sommario/riassunto	This volume brings together research on a variety of paratextual and peritextual elements of translation of German, Chinese and Czech source texts. The explication seen as necessary to translated texts is a part of this growing field, as researchers investigate the influence of writing which purports to help the reader's understanding of a text. The articles included here demonstrate the impact of paratextual and peritextual elements on the way a text is produced and received. Publishers, bot...
