Feridun Zaimoglu's Abschaum; 4. Turkish-German Reattachments; 5. Minorities, Literatures, and Recursive Leaps of Faith; Notes; Bibliography; Index
Sommario/riassunto	Cosmopolitical Claims is a profoundly original study of the works of Sten Nadolny, Emine Sevgi Ozdamar, Feridun Zaimoglu, and 2006 Nobel prize in literature recipient Orhan Pamuk. Rather than using the proverbial hyphen in "Turkish-German" to indicate a culture caught between two nations, Venkat Mani is interested in how Turkish-German literature engages in a scrutiny of German and Turkish national identity.
