Sommario/riassunto	This study uses an abundance of primary sources to restore African American female participants in the Civil War to history by documenting their presence, contributions and experience. Free and enslaved African American women took part in this process in a variety of ways, including black female charity and benevolence. These women were

spies, soldiers, scouts, nurses, cooks, seamstresses, laundresses, recruiters, relief workers, organizers, teachers, activists and survivors. They carried the honor of the race on their shoulders, insisting on their right to be treated as "ladies" and knowi
