Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. The intimacies of feminist ethnography -- pt. 2. Feminist ethnographer as critic -- pt. 3. Disruptive strategies.
Sommario/riassunto	This collection reengages 20th century debates on feminist ethnography in a 21st century context. It serves as a critical dialog about the possibilities for feminist ethnography in the 21st century-at the intersection of engaged feminist research and collective activism. Contributors argue that feminist ethnography has much to offer contemporary debates over activist scholarship by posing feminist counter-visions to the overwhelmingly market-driven approach of neoliberal public policy efforts.
