Sommario/riassunto

This provocative collection draws on extensive ethnographic fieldwork to shed light on the role that public ceremonies play in affirming or debunking cultural identities associated with the South. W. J. Cash's 1941 observation that ""there are many Souths and many cultural traditions among them"" is certainly validated by this book. Although the Civil War and its ""lost cause"" tradition continues to serve as a cultural root paradigm in celebrations, both uniting and dividing loyalties, southerners also embrace a panoply of public rituals--parades, cook-offs, kinship homecom-ings, church assem

Sommario/riassunto

This timely volume represents one of the first comprehensive, student-oriented guides to the under-published field of early modern women's writing. Brings together more than twenty leading international scholars to provide the definitive survey volume to the field of early modern women's writing. Examines individual texts, including works by Mary Sidney, Margaret Cavendish and Aphra Behn. Explores the historical context and generic diversity of early modern women's writing, as well as the theoretical issues that underpin its study. Provides a clear sense of
