

1. Record Nr.	UNINA9910453966003321
Titolo	Clinical laboratory medicine // Kenneth D. McClatchey, editor ; Ruth W. Weinberg, acquisition editor ; Raymond E. Reter, developmental editor ; Mark Lerner, cover designer
Pubbl/distr/stampa	Philadelphia, Pennsylvania : , : Lippincott Williams & Wilkins, , 2002 ©2002
ISBN	1-4698-7945-X
Edizione	[Second edition.]
Descrizione fisica	1 online resource (1709 p.)
Disciplina	616.07/56
Soggetti	Diagnosis, Laboratory Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	""Cover""; ""Copyright""; ""Editor""; ""DEDICATION""; ""PREFACE""; ""ACKNOWLEDGMENTS""; ""Contents""; ""Section 1 General Laboratory""; ""General Laboratory - Introduction""; ""1 Basic Laboratory Management""; ""2 Business Management of the Clinical Laboratory""; ""3 Laboratory Safety""; ""4 The Interpretation of Laboratory Tests""; ""5 Laboratory Information Systems""; ""6 Ethics in Laboratory Medicine""; ""Section 2 Molecular Pathology""; ""Molecular Pathology - Introduction""; ""7 Introduction to Molecular Diagnostics""; ""8 Molecular Biology of Inherited Diseases"" ""9 Molecular Biology of Solid Tumors"" ""10 Molecular Biology of Infectious Diseases""; ""11 Clinical Applications of Molecular Biology Hematopoietic Disorders""; ""Section 3 Clinical Chemistry""; ""Clinical Chemistry - Introduction""; ""12 Immunochemical Methods""; ""13 The Plasma Proteins""; ""14 Diagnostic Enzymology and Other Biochemical Markers of Organ Damage""; ""15 Lipids and Lipoproteins""; ""16 Endocrine Function and Carbohydrates""; ""17 Electrolytes and Acid-Base Balance""; ""18 Respiration and Measurement of Oxygen and Hemoglobin""; ""19 Nitrogen Metabolites and Renal Function"" ""20 Calcium, Magnesium, and Phosphate"" ""21 Heme Synthesis and Catabolism""; ""22 Toxicology""; ""23 Trace Elements, Vitamins, and Nutrition""; ""24 Inborn Metabolic Errors""; ""25 Point-of-Care Testing"";

Soggetti	Civil rights movements - History - 20th century Anti-racism - England - Oxford - History - 20th century
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Front matter -- Contents -- Foreword -- Acknowledgments -- Prologue: A Black Revolutionary Meets Historic Oxford -- 1. A Life of Travel and Discovery: Malcolm X, 1925 - 1964 -- 2. Oxford, Britain, and Race, 1870 - 1964 -- 3. Antiracism Protests in Oxford, 1956 - 1964 -- 4. The Debate, December 3, 1964 -- 5. After the Debate, 1964 - 1968 -- Epilogue -- Notes -- Index
Sommario/riassunto	Less than three months before he was assassinated, Malcolm X spoke at the Oxford Union-the most prestigious student debating organization in the United Kingdom. The Oxford Union regularly welcomed heads of state and stars of screen and served as the training ground for the politically ambitious offspring of Britain's "better classes." Malcolm X, by contrast, was the global icon of race militancy. For many, he personified revolution and danger. Marking the fiftieth anniversary of the debate, this book brings to life the dramatic events surrounding the visit, showing why Oxford invited Malcolm X, why he accepted, and the effect of the visit on Malcolm X and British students. Stephen Tuck tells the human story behind the debate and also uses it as a starting point to discuss larger issues of Black Power, the end of empire, British race relations, immigration, and student rights. Coinciding with a student-led campaign against segregated housing, the visit enabled Malcolm X to make connections with radical students

from the Caribbean, Africa, and South Asia, giving him a new perspective on the global struggle for racial equality, and in turn, radicalizing a new generation of British activists. Masterfully tracing the reverberations on both sides of the Atlantic, Tuck chronicles how the personal transformation of the dynamic American leader played out on the international stage.
