Sommario/riassunto

"This innovative book examines an important, timely topic. The content will greatly enhance practitioners' and students' understanding and skills in working with men of color." - Elaine P. Congress, DSW, Fordham University Graduate School of Social Service. "Family Violence and Men of Color is the best book in cross-cultural issues and domestic violence that I have ever read. It is a good combination of literature review, clinical interventions and cultural imagery." - Daniel Sonkin, PhD, Marriage, Family and Child Counselor. Family violence is an international epidemic that knows no cult
