Sommario/riassunto	On rare occasions in American history, Congress enacts a measure so astute, so far-reaching, so revolutionary, it enters the language as a metaphor. The Marshall Plan comes to mind, as does the Civil Rights Act. But perhaps none resonates in the American imagination like the G.I. Bill. In a brilliant addition to Oxford's acclaimed Pivotal Moments in American History series, historians Glenn C. Altschuler and Stuart M. Blumin offer a compelling and often surprising account of the G.I. Bill and its sweeping and decisive impact on American life. Formally known as the Serviceman's Readjustment Act

2. Record Nr.	UNIORUON00032726
Autore	JUDGE, Joan
