Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front Matter; Chapter 1; Chapter 2; Chapter 3; Chapter 4; Chapter 5; Chapter 6; Chapter 7; Chapter 8; Chapter 9; Chapter 10; Chapter 11; APPENDIX A; APPENDIX B; APPENDIX C; APPENDIX D; References; Index
Sommario/riassunto	Filling a key need among educators and literacy volunteers, this is the first hands-on guide for tutoring students with literacy difficulties in grades 6-12. Grounded in the most current literacy research, the book reflects the authors' 25+ years of combined experience working with tutoring programs. Every page features practical ideas for carrying out the entire process of tutoring: assessing teenagers' strengths, weaknesses, and interests; selecting appropriate, engaging materials; and fostering development in comprehension, word study, fluency, and composition. Special features include conc

Sommario/riassunto	<p>The Dominican Republic remains among the most dynamic economies in the region, benefiting from a strengthened macro-policy framework and external tailwinds. It does not face significant internal or external imbalances: inflation is low, fiscal deficits and debt moderate, and the external position is broadly in line with fundamentals. Vulnerabilities remain, however: public debt is set to increase over the medium-term and the tax ratio is one of the lowest in the world, reserves are below the Fund's suggested metric, legacy bottlenecks in the electricity sector remain unresolved, and social challenges persist. The consultations focused on policies to address these vulnerabilities and strengthen the economy's resilience to external shocks.</p>
