Nota di contenuto	Spirituality, Values and Mental Health: Jewels for the Journey; CONTENTS; Foreword; SECTION A – Context; SECTION B – Diverse Perspectives; SECTION C – Good Practice; SECTION D – Education and Training; SECTION E – Research; CONTRIBUTORS; SUBJECT INDEX; AUTHOR INDEX;
Sommario/riassunto	There is a developing recognition that spirituality, religious belief and inclusive faith communities are important for mental well being. Training for mental health practitioners in the UK is increasingly taking this on board but practitioners have few guidelines about this growing field of interest for incorporating this awareness in their practice with the service users they are trying to help. Spirituality, Values and Practice in Mental Health Care addresses policy and practice for professionals working in the mental health field and for carers and

people with mental health problems themse
