Sommario/riassunto	Jacques Derrida (1930-2004) was the most original and inspiring writer and philosopher of our time. In a series of distinctive essays that are at once self-contained and intricately linked, Royle explores the legacies of Derrida's thinking in the context of philosophy, language, globalisation, war, terrorism, justice, the democracy to come, poetry, literature, memory, mourning, the gift, friendship and dreams. Lucid, inventive and at times funny, Royle allows us to appreciate how much Derrida's work has altered the ways we read and think. Autobiography, children's literature, the Gothic and
