Sommario/riassunto	For almost sixty years, the results of the New Deal have been an accepted part of political life. Social Security, to take one example, is now seen as every American's birthright. But to validate this revolutionary legislation, Franklin Roosevelt had to fight a ferocious battle against the opposition of the Supreme Court--which was entrenched in laissez faire orthodoxy. After many lost battles, Roosevelt won his war with the Court, launching a Constitutional revolution that went far beyond anything he envisioned. In The Supreme Court Reborn, esteemed scholar William E. Leuchtenburg explores th

Sommario/riassunto	This book reviews, summarizes, and integrates a diverse literature on the topic of retirement and provides a coherent view to better inform

researchers and practitioners. Organized around three phases of the retirement process--pre-retirement, retirement decision-making, and post-retirement--the chapters examine economic, sociological, gerontological, and psychological theory and research. Topics discussed include: types of retirement, retirement planning and preparation, early retirement incentive programs, the economics of the retirement decision-making, and work after retirement, among othe
