Sommario/riassunto	Phillip Caputo, Larry Heinemann, Tim O'Brien, and Robert Olen Butler: four young midwestern Americans coming of age during the 1960's who faced a difficult personal decision-whether or not to fight in Vietnam. Each chose to participate. After coming home, these four veterans became prizewinning authors telling the war stories and life stories of soldiers and civilians. The four extended conversations included in Writing Vietnam, Writing Life feature revealing personal stories alongside candid assessments of each author's distinct roles as son, soldier, writer, and teacher of creative writing.
