Nota di bibliografia	Includes bibliographical references (p. [203]-218) and index.
Nota di contenuto	Expansion, decline, and geographies of inequality -- Employment opportunity -- Housing opportunity -- Educational opportunity -- The region's communities and the value proposition -- Who takes responsibility for addressing inequality?
Sommario/riassunto	Restructuring the Philadelphia Region offers one of the most comprehensive and careful investigations written to date about metropolitan inequalities in America's large urban regions. Moving beyond simplistic analyses of cities-versus-suburbs, the authors use a large and unique data set to discover the special patterns of opportunity in greater Philadelphia, a sprawling, complex metropolitan region consisting of more than 350 separate localities. With each community operating its own public services and competing to attract residents and businesses, the places people live offer
